

Presents:

# Speaker Series and Beer Tasting

## November 15, 2018

The APWA Young Professionals Group welcomes you to come and join us for a presentation by Bobby Sokolowski and Dr. Kumar Ghosh from TY Lin International on the San Elijo Lagoon Bridge project. The project includes replacement and lengthening of the existing I-5 San Elijo Lagoon Bridge as part of lagoon restoration measures. The projects also includes a pedestrian bridge suspended from the Lagoon Bridge and High-Occupancy Vehicle (HOV/Managed) lanes along the I-5 median. The project was administered using the Construction Manager/General Contractor (CMGC) project delivery methodology and is one of the first Caltrans projects to do so. The project is currently under construction with completion expected in 2020.

**Time: 5:30PM – 7:00PM (Check-in and networking from 5:30pm-6pm)**

**Location: White Labs Tasting Room, 9495 Candida Street, San Diego, 92126**
